FAQ: How much will 500 vs 1,000 cards cost?

COST CALCULATOR

Rough Estimate of Production Run Pricing

Use the calculator on the right to get an idea on the price for printing cards, fobs, letters and envelopes. Please note that the final price/thousand may change based on the overall size of the print run.

Printing Cost of Card plus One Fob (add \$200 set up fee TT)

Price is based on quantity of Overall run.

For estimating, we use \$170.17 per 1,000. As the size of the print run changes, the pricing adjusts as follows.

Total Quarterly Card Quantity	50,000- 99,999	100,000- 124,999	125,000- 149,999	150,000- 174,999	175,000- 200,000	Over 200,000
Price per 1,000 (M)	\$236.74/M	\$190.80/M	\$170.17/M	\$164.45/M	\$157.30/M	\$148.40/M
